

BASIC BUDGET BREAKDOWN

1. Income	Income 1	Income 2	Income 3	<u>Total</u>
2. Expenses	Rent	Utilities	Transportation	
	Groceries	Eating Out	Coffee/Energy Drinks/etc.	
	Medications	Cellphone	Subscriptions	
	Church/Donation	Childcare	Savings	
3. Add It Together	Take the very top right box (income) and subtract the <u>total</u> (added together) of the 5 boxes below it		This number should come out to be positive . If not, it means that you have more expenses than income, so you need to start cutting out what you can	<u>Total</u>
